e-mail: Margo@LiveAuctions.tv

Real-time bidding is available via the internet for this sale. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. Buyers must create an account two days prior to the sale. Please visit <http://www.LiveAuctions.tv> to create an account and request a buyer number. Instructions are available at <http://www.LiveAuctions.tv> to walk you through the account setup process.

CDC Recommendations Are Encouraged.

Videos of the sale animals can be viewed online at www.jacksonmarketingsolutions.com

SALE LOCATION

REALITY FARMS, 794 Port Royal Road, Campbellsburg, KY

LOT NUMBERS

The tags on animals will correspond with the lot numbers in the sale book. Ear tags on calves at the side of dam correspond with the dam's number.

HEALTH PAPERS

Each lot will have an individual health certificate. Out-of-state buyers should be aware of any special requirements and/or permits of their respective states. A vet will be present to assist with reconignment of health papers.

DELIVERY

Consignors will help with trucking arrangements as much as possible. Cattle need to be moved as soon as possible after the sale. Please make arrangements accordingly.

INSURANCE

Insurance is available on all cattle selling. Please notify clerks at time of settlement if insurance is desired. All purchases become the risk of purchaser as soon as sold.

SETTLEMENT

Satisfactory settlement (payment in full unless prior arrangements have been made) must be made with the clerks prior to the movement of any purchases from the sale facilities.

EPDS

The EPDs printed in this sale book were taken from the American Angus Association as of September 9, 2021. EPDs are now updated weekly by the American Angus Association, so current EPDs may vary from the EPD printed in the sale book.

REGISTRATION CERTIFICATES

A transferred registration certificate will be provided for each animal that sells.

AI CERTIFICATES

No AI certificates will be furnished for females bred to bulls not owned by the seller.

GENETIC DEFECTS

Each animal in the sale will have a current status for AM, CA, NH and DD listed in this sale book or an update sheet which will be available sale day if that status has changed since the publication of the sale book. GMAA is now accepting cattle into sales regardless of their genetic defect status as long as they are registered with the American Angus Association. Potential carriers are denoted with a "P" behind the notation of the genetic defect of which they are a potential carrier, i.e. AMP, CAP, DDP and NHP. The absence of any such notations means the animal is not regarded as a potential carrier because of the pedigree.

LIABILITY

Neither the Great Meadows Angus Association, Reality Farms LLC, the sellers, the sale managers, nor any other person connected with the sale assumes any liability - legal or otherwise.

TERMS & CONDITIONS

This sale is being conducted under the current suggested Sale Terms and Conditions adopted by the American Angus Association. Except for those stated in the terms & conditions, there are no warranties, either expressed or implied, as to merchantability of fitness for a particular purpose with respect to the cattle being sold in this auction. The warranties and guarantees set forth in the "Terms & Conditions" are in lieu of all other warranties, either expressed or implied and the remedies provided therein shall be the sole and exclusive remedy of the buyer (or any party claiming through buyers) for any breach of warranty or guarantee therein provided and all other obligations or liabilities. Copies of the Association Terms & Conditions will be available at the clerk's desk at sale or online at www.angus.org.

Burks A10 Rita 782D – Lot 1

- A special female for a special year. This young donor female has graced the pages of the Select Sires catalog as one of the “ideal daughters” of Connealy Comrade. Comrade was an exceptional semen seller, selling over 40,000 straws of semen per year multiple times in his career. This female has the ideal Angus look, with an EPD profile that raises the bar for producing better Angus cattle. Study her progeny in the following lots and envision what this female can do for your program. Top 1% \$W, 3% WW, 5% YW and \$M, 15% RADG and Angle.
- **A.I. 5-11-2021 to Crawford**
Guarantee. Reg #: 19526770. Safe
A.I. with a heifer calf pregnancy.

- The high maternal dam of these embryo's by Connealy Thunder records a WW ratio 4@108, YW 4@106, with % IMF 3@112, and UREA 3@109. Maternal sibs to these embryo's were acquired by Sydenstricker genetics in Missouri to add to their program after purchasing a daughter for \$18,000 in the Ranchers Rendezvous Sale. You may remember the awesome top selling Mainstay bulls she had at the 2020 Fall GMAA sale. Expect deep bodied, good looking, highly marketable progeny with your herd prefix. Selling choice of a package of 3 conventional embryo's guaranteeing 1 pregnancy if work is done by AETA certified embryologist. Buyer responsible for shipping.

- **Consignor: D&D Longview Angus**
- This Ten X daughter has a loaded pedigree on her maternal side, full of powerful donors from the Wehrmann program in Virginia. These donors are still power players in the Angus breed, and this bull calf on her side by Growth Fund could have serious potential.
- **Lot 42A Bull calf Born 8-14-2021 by Deer Valley Growth Fund.**

• Consignor: Millstone Cattle Company

- A royally bred son of the hottest bull in the Angus breed, Deer Valley Growth Fund combined with the 2nd generation former Deer Valley Donor, Rita 1126. Rita 1126 is also the dam of the \$90,000 Deer Valley Old Hickory, and has produced many high sellers for the Deer Valley program. He offers an unmatched EPD profile, while still maintaining an excellent phenotype. Long bodied, wide based, extremely sound, with a pedigree we all appreciate. Passed his BSE at 11 months of age. Top 2% CED and YW, 5% WW, \$W and \$B, 15% Milk, RE and \$C. Cost Share Eligible.
