A Regiment son offering double digit CED and tremendous growth, he covers all the bases throughout his EPDs. His dam stems from the Basin Lucy 3829 cow, a great proven cow family. 6062 has been a donor in our program; she brings along excellent feet and udder quality and also adds phenotype. He will make a great herd bull that has strong maternal and end-product merit.

He has an excellent EPD profile with PAP in the top 30%. His dam is proving what she can do! She is structurally correct with excellent udder and good feet. His granddam produced the top-selling bull at Midland in 2019. There is a lot of genetic potential with this guy!

# KB Angus 100% Guarantee!

We guarantee that all breeding cattle sold by KB ANGUS, both bulls and females, are fertile to the best of our knowledge. All bulls are guaranteed against breeding injury and to be sound breeders for the first breeding season. Breeding season is defined as the 90 day period following the first turn out of the bull. We will provide you with a satisfactory replacement, if available, or issue you a credit equal to the bull's purchase price minus the salvage value received for that bull. If a female is determined to be a non-breeder, then we would ask you to sell her and would offer you the difference of her purchase price minus the salvage value as a credit in any future KB ANGUS sale.

This guarantee is an addition to the Sale Terms and Conditions of the American Angus Association which also apply. This is not a life insurance policy however.

We will not replace a dead animal if it is killed or dies for any reason.
